## **Best Practice 2:**

### **Title of the Practice: Student Orientation Activities**

#### **Goal:**

To enhance the students understanding of strategies for success, their own potential and challenges by providing the students with the latest education facilities and opportunities such as Placement, Motivation, Infrastructure Development, Competitive Exam Centre, etc.

#### **Context:**

As the college is situated in the hilly and tribal region, the lack of employment opportunities and recognized courses are the main drawbacks to students while pursuing their education. Any programme undertaken by the college by keeping these points in mind.

#### **The Practice:**

Development of Infrastructure facilities specially geared for students are as follow:

- Teaching aids like LCD projectors, computers with internet facility, etc. have been made available in all departments/classrooms in the college.
- A new building with 08 classrooms has been constructed by the college under RUSA Scheme.
- The following departments have received grants under the RUSA Scheme for renovation and up-gradation.
  1. Department of chemistry to renovate laboratory and to purchase sophisticated laboratory equipment – Rs. 26 Lakhs
  2. Department of Physics to renovate laboratory and to purchase sophisticated laboratory equipment – Rs. 23 Lakhs
  3. Department of Botany to renovate laboratory and to purchase sophisticated laboratory equipment – Rs. 10 Lakhs
  4. Department of Zoology to renovate laboratory and to purchase sophisticated laboratory equipment – Rs. 09 Lakhs

5. Department of Sports to build, 400 metre, 8 lane, standard running track – 15 Lakh
- The college has purchased instruments required for research under DST- FIST Scheme- Rs. 32 Lakh
  - The Open Gym Instruments were installed on the college ground under Quality Improvement Programme (QIP) -01 Lakh
  - The Construction of Women's hostel constructed under University Grant Commission (XI plan) -35 Lakh
  - Late Shrikrushna Tambe library of the college has taken initiative to acquire benefit under Shri Siddhivinayk Book Bank Scheme, Mumbai. From academic year 2015-16 to 2019-20, total quantity of 7345 books with total worth of 11,03,203/- (Eleven lakh three thousand two hundred three rupees) has been sanctioned under this scheme by the library.
  - Recently, STAR college proposal is recommended by task force and financial support is provided to four departments in the college, Botany, Chemistry, Zoology and Physics.
  - The 'Competitive Exam Centre' is started in the college (2018-19) to create awareness and interest among the students about competitive exams. A series of lectures were organized every year by 'Competitive Exam Centre'.
  - Motivational speaker Mr. Anand Bansode (Everest Veer) And Gold Medalist Avantika Narale (Runner) was invested as Chief Guest for Annual Gathering Function in 2018-19. Dr. Vilas Pol (Professor, Purdue University, USA, Guinness world record of arranging periodic table elements in 08 minutes ad 36 seconds) was invited as a guest lecture for B.Sc. and M.Sc. Students in 2021-22.
  - The college has a full-fledged 'Placement Cell' which has a specially designated Placement Officer. The Placement Cell co-ordinates with HR departments of various corporates/MNCs and organizes recruitment at college campus every year.

#### **Evidence of Success:**

The efforts of the IQAC to improve student-oriented activities has met with success. Some details are provided below:

- The Placement Cell of the college often conducts campus interview for the students. This dedicated wing of the college organizes meetings, counseling sessions and interactions to enhance the knowledge and ability of the students to face placement interviews successfully.
- During last five years, nearly 22 students qualified SET/NET/JRF/JAM/GATE/Competitive Exams. College possesses 400 metre running track and open Gym. Students takes benefit of the college ground and library facility for physical and intellectual preparation of the competitive exams.
- College established Incubation Centre at Chemistry Department to inculcate and nurture the culture of innovation at the campus. Entrepreneurship development programmes like LED bulb Manufacturing workshop, Apiculture training workshop, Laptop and Mobile repairing workshop, etc. were conducted by the college. Recently, SPPU, Pune permitted to start Ph.D. Research Centre in Physics, Chemistry and Economics.

### **Problems Encountered and Resources Required:**

Till date, no any major problems are encountered while carrying out the student's orientation activities.

Dear Dr. Shirsat,

This is with reference to the Meeting of Task Force on Star College Programme to evaluate new proposals received under "Rural and NER Categories", held on 13-14th March, 2023 at DBT, New Delhi, the comments/ decisions of the Task Force are as below:

**"The College Principal, Dr. Abhay Khandagle, presented the proposal. The Task Force observed that the presentation was a considerable improvement over the original proposal and the impact of the mentorship was visible. The lacuna in the proposal was noted to be well covered in the presentation. Some kit based experiments were proposed, instead of traditional methods, the College should focus more on traditional methods for these experiments.**

**Decision: The Task Force recommended financial support for four departments: (i) Botany; (ii) Chemistry; (iii) Physics; and (iv) Zoology."**

In view of the above, these are the following documents are required for the further processing of the project:

1. Checklist along with documents mentioned therein as per attached format.
- ✓ 2. ZBSA account with ICICI Bank for the projects supported under Biotechnology Research & Development Scheme (0150) and share details of same in attached Annexure-I, II, in checklist provide only ZBSA account details.
3. Provide quotation for equipment costing more than Rs. 1.00 lakh (including all taxes etc), only one equipment is allowed per department costing more than Rs. 1.00 lakh within ceiling of Rs. 3.00 lakh (including all taxes etc).
4. As per the guidelines/Terms & conditions of Star College Program equipments like Laptop, Air conditioner, and furniture items are strictly prohibited.
5. MoA on Rs. 100/- stamp paper in favour of Govt. of India and annexure I, II as per attached formats, date of sanction and sanction amount place should be blank, after sanctioning of the project it should be filled. Each page should be signed and stamped by the project coordinator and Head of the Institute with the two witness sign at the last page.
- ✓ 6. Note that all purchases through DBT grant should be through Open Tender System and no specific brand/make should be given preference. An undertaking need to be submitted for this, as per attached format.
7. Undertaking regarding data generated during the project i.e., if any valuable data arises, the same would be shared with IBDC at RCB, Faridabad, as per attached format.

**Kindly send PDF format of all documents (Must be duly signed & stamped by the Head of Institute / Principal & Programme coordinator at required place); complete above-mentioned formalities in a time-bound manner i.e. within 10 working days so as to ensure the consideration of the project.**

regards,

### Instructions for students

All the first year students of Bachelor and Post Graduate classes in Arts, Commerce and Science of the college are informed that through the initiative "Career Katta" organized jointly by Maharashtra State Higher and Technical Education Department and Maharashtra Information Technology Assistance Centre, on 10th November 2022 Shri. Yashwant Shitole (President, Maharashtra Information Technology Support Center) will interact with the students from 9.00 am to 10.00 am.

In this lecture, he will guide the students about how the students should prepare for the competitive examination under the "Career Katta" initiative, what are the plans of the government for the preparation of the competitive examination.

**All students should attend on 10 February 2022 at 9:00 am in Hall No. 32 of the college.**

Jointly Organized  
ORIENTATION PROGRAMME ON COMPETATIVE EXAM  
10<sup>th</sup> February 2022**

On February 10, 2022, a one-day competitive examination guidance workshop was organized in the college under the Career Katta initiative implemented through the Maharashtra Information Technology and Help Desk.

Shri. Yashwant Shitole, President of Maharashtra Information Technology and Support Cell guided the students in this workshop.

"Students should have sleep-inducing dreams. Show the dreams in your eyes on your mobile phone. No crisis in the world can be predicted. Start preparing for competitive exams by knowing your intellectual, physical and mental abilities. You should decide in advance at which age you want to become an officer or a successful entrepreneur. With proper planning of 24 hours everything is possible, anything in the world we can do with hard work" Shri Yashwant Shitole, President of Maharashtra Information Technology and Support Chamber appealed to the students.

Time is very important in life, students should use the time to realize their dreams along with themselves, time does not come again and again. Through Career Katta, all the students are provided with expert guidance to prepare for any exam at a very low cost. He informed the students that they should use this opportunity.

Education is a key for success.  
Having being a former student  
Anandabhai Waghare college of art,  
it is a honor and great pleasure  
to see the outstanding progress made  
by the college.

Education is the only one thing that  
would provide you each and every  
desire you have in your life.

I am so proud of my college teachers

### **One Day Intercollegiate Entrepreneurship Development Workshop**

Date:- 21/03/2021

A one-day intercollege entrepreneurship development workshop on "AC-DC Rechargeable LED Bulb Manufacturing" was concluded in association with Department of Physics and IQAC, Annasaheb Waghire College, Otur, Pune. Dr. Avinash Rokade (Avience Scientific, Pune) was invited as a lecturer for this workshop.

In the first session of the workshop, Dr. Avinash Rokade highlighted the history of the bulb, its types and the benefits of LED bulbs. Moreover, materials, AC-DC drivers, assembly machines and testing tools required for manufacturing LED bulbs were guided through PPT. Also, Dr. Rokade interacted with the students on LED bulb repairing, marketing, brand label stamping and how to start a business. In the second session, AC-DC rechargeable LED bulbs were demonstrated and each student made an LED bulb. A total of 60 students from the college and locality participated in the said workshop.

College Principal Dr. A. J. Khandagale, while expressing his presidential message, gave detailed guidance on how entrepreneurship training is necessary for students. He also stated that due to the emphasis on skills in the new education policy, students need to be more proficient in the skills they like. Also, students should dream of becoming entrepreneurs and become entrepreneurs.

For this program, the vice principal of the college, Dr. V.M. Shinde, Dr. K.D. Sonwane, Dr. Y. D. Kaldante, Prof. M. P. Gambhir and others were present.

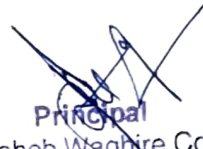

Introductory program Head of Department and Vice Principal Dr. S. F. Dhakane did. Workshop Coordinator Dr. H. M. Borate introduced the guests.

Coordinating Professor Mrs. Shamal Dhamale and Prof. Snehal Dumbare did it. Dr. Ajay Kawade thanked the dignitaries present.

Ms. Sonali Nimse and Ms. Jyoti Murkute commented that she learned more than expected in the said workshop. Professor for the workshop Mrs. S. D. Sable, Mrs. Adhari, Mr. Jaising Dumbre, Mr. Navnath Pardhi, Mr. Dattatraya Kadam, Mr. Nikhil Kakade etc. took special efforts.

Also, for the successful organization of the said workshop, Vice President of Pune District Education Board Hon. Mr. Rajendra Ghadge, Honorary Secretary Mr. Adv. Sandeep Kadam, Treasurer Mr. Adv. Mohanrao Deshmukh, Deputy Secretary Mr. Shri L. M. Pawar, Joint Secretary Hon. Mr. A.M. Jadhav provided valuable guidance.
